Selena: me?
Selena: man i am writing a scathing response to the old dude
Selena: who is pissed at me.
Selena: basically he said "if you don't like me, don't respond"
me: okay
me: ignore him, he's a crazy old man
Selena: i'm not going to ignore him
Selena: because you can't say that shit to someone, "i want this my way, you either do it or don't respond"
Selena: and you know what, as a woman i am NOT going to take that, fuck you for thinking i'm going to shut up and sit down
me: why would you want to interact with a person like that?
Selena: because i am telling him off
Selena: and maybe you've rubbed off on me
Selena: normally i would just delete it and roll my eyes
Selena: (also i have my period today)
Selena: so i am just like YEAH YOU THINK SO? FUCK YOU. but much more articulate

Selena: hahahhaha
Selena: you will look great in khaki jump suits
Selena: ugh i got such a whiny baby reply
Selena: what should i say!
me: let me talk to him
me: all my little dwarf fortress comrades on reddit liked my poem
Selena: hahahahah
Selena: i'm glad to hear that
Selena: man i am so angry right now
Selena: i HOPE he read my blog
Selena: like realizes that the paunchy old dude is referencing HIM
me: send him a link
Selena: he READ the article
Selena: he MUST have read the fucking blog
Selena: i had told him i had a sex blog but i wouldn't let him read it
Selena: so i think he did
Selena: and now he's all mad bc i fucked everyone but not him
Selena: and he took me out to expensive restaurants. HA HA HA?
Selena: so he wrote this (an excerpt)
Selena: Don't expect me to enjoy the fact that you're
> depicting
> yourself as this wanton slut when you rejected me without a
> thought.
> I'm fucking human, ya know?
Selena: so i wrote back:
Selena: yeah, sluts should fuck anyone who wants to fuck them. you know, no sense of empowerment or anything, just vessels for your patriarchal pleasure. how dare i not fuck you simply because you wanted to fuck me?
Selena: was that uncalled for, am i being a feminist twat
me: you're hitting with a club rather than slicing with a knife

me: my goal is generally to hurt someone emotionally in such a way that they suffer
me: if that's your goal, you're doing it wrong
Selena: hahahaha
Selena: i'm not trying to hurt him
